APPRECIATION FOR SERVICES RENDERED

On behalf of the South African Police Reserve police from Booyens, I would like to thank SIFU Anthony Jardim and SIFU Kevin Stewart from the WING TSUN KEUN SCHOOL OF MARTIAL ARTS for the 3 month course that they so gladly provided for the Reservists. Training them mostly in using the minimum of force when making an arrest, as this is what the law requires.

Your knowledge of law enforcement tactics, different weapons, self defence and different kinks of Martial Arts is outstanding.

Thank you for sharing with us your knowledge and experience of your overseas training.

I hope that your clubs in Mondeor and Rosettenville may flourish, and your students learn to appreciate the dedication that you have for your art.

We are looking forward to the next course that we will be having with you.

Kevin and Anthony :- I salute you.
